

MAY HALF TERM PROJECT

Over half term, we would love for you to get creative and make something for our outdoor area at school. We are planning to create a quiet, reflective space in the playground and we need your help to make it look amazing! Choose an idea to have fun creating with your family at home, and bring your completed masterpiece in when we are back at school. In the meantime, we hope that you have fun with these projects, and we would love to see photos!

<p>Paint a stone to represent yourself, the school, or perhaps a rainbow to remind us of our NHS heroes.</p> 	<p>Create a simple mobile from sticks and string to hang in one of our many trees.</p> 
<p>Find an old Wellington boot and fill it with soil. Plant one of your favourite plants inside and Mr Everett can attach it to the fence.</p> 	<p>Make a naughts and crosses game for the playground. You could even have a go at sewing a bag for it to be kept in.</p> 
<p>Make a bird feeder to hang in our school grounds. These can be made easily from many recyclable products.</p> 	<p>Make an eye catching sculpture from reused items.</p> 
<p>Using a small shallow pot, create a miniature garden that can stand outside in our playground.</p> 	<p>Paint an old pot with a pattern or picture of your choice. If you have a plant spare, you could plant it too.</p>
