Wednesday 6 November 2019

Dear Year 6 families,

On **Monday 18th November 2019** Cedar class will be holding their reading café.

During this café, I will be outlining the Year 6 expectations for reading and talking briefly about the KS2 reading SATs test. You will then have the chance to complete some reading comprehension activities with your child. Slightly aside from reading, I will also pop up on the big screen all the photos we took in Aylmerton to share with you!

As usual, teas, coffees and biscuits will be served from 9.00am from the school kitchen hatch. Cedar class will then make their way down to the hall shortly after we have registered. The café will run until around 10am.

We would really love as many of you to come as possible. Please reply by email or return the slip below by next Thursday 14<sup>th</sup> November so that the necessary arrangements for refreshments can be made.

Thank you,

Miss Thornton
