Dear Families

Your child has been offered a chance to complete Level 2 Bikeability Course. The cycling course will take place between Monday 15th June to Thursday 25th June, in school time hours. Exact times for your child will follow.

Your child will be assessed on their cycling skills in an off road environment (Level 1). Once we are totally confident with your child's skills, we will then commence training on quiet, local roads where your child will be instructed in all basic manoeuvres within Level 2 of the National Standards of Cycling. For detailed information on the manoeuvres that your child will undertake, please refer to www.bikeability.org.uk

Your child will need a roadworthy cycle (please see attached sheet) and we ask that they wear a suitable cycle helmet that is safe and secure. Please check their bicycle prior to the course to ensure it fits your child correctly and is safe to ride. Due to social distancing rules, the instructors cannot closely check your child's bicycle and helmet, this **must** be carried out at home to ensure your child's safety.

Suitable clothing should be worn by your child. This should be comfortable, with narrow bottomed trousers, trainers are ideal footwear for cycling. Training may take place in wet weather, so a lightweight waterproof jacket may be advisable also. Please note the course is designed to improve cycle control and your child should be encouraged to practice beforehand in a safe environment, especially signalling.

We have been very fortunate that the FOES will be paying for half the course this year and so the price per child will be £11.00 per child which is payable online via School Money. Please email the School Office should you need assistance accessing your child's School Money account.

Please complete and return the attached consent form by Monday 8th June 2020.

Yours sincerely

Mrs G Robinson
