What a busy and exciting term we have had so far...

World Book Day was a huge success in school. The whole school enjoyed dressing up as some of their favourite book characters. There were so many impressive costumes that required a lot of thought and creativity. A huge thank you to parents and carers for your input and support with this. We also had some very impressive 'Book in a Box' designs. Some of these we are keeping to display in our school library.

On the theme of books, the school has invested in a lot of new books this term. Many thanks to the FOES for their generous contribution towards this. We are already seeing the positive impact that this is having on the children. We are in the process of making our school library a much more inviting and useable space to encourage reading. We will update you on this once it is complete.
Happy reading, from Mrs Watts.

Notice Board

As of next week (28th March) we will be using our school field for lunch time play. This will free up a lot more space on our playground and the children a chance to run around more and use the the wonderful outdoor space that the school has. You may have noticed the new welly racks that have appeared outside the classrooms. **We are asking children to bring in a pair of wellies (or other outdoor boots)** to change into if they would like to play on the school field. They can then change back into school shoes and leave their muddy wellies on the welly racks outside to ensure that we don't get mud inside the school building. If your child would like to play on the field, please bring wellies into school on Monday.
